becoming a member

Our services are free and you don't need to be a member to use these services. However, becoming a member means you will be helping us to continue with our work, and also helping us to speak with a stronger, united voice and help better the lives of people with epilepsy.

Membership benefits

Membership costs just £10 per year (UK/IOM) - we've kept the cost down to make it affordable to more people. As a member, you'll receive a welcoming pack and membership card, a regular newsletter informing you of our activities, our annual general report and your say in the future of the Association - entitlement to vote at our annual general meeting. If you'd like to become a member, please download the form below and return it to the MREA office.

Making a donation

You might like to make an extra donation to us when completing the membership form. Every donation, however small, is important to us. Please note, you don't have to become a member to make a donation. You can either send a one-off donation, or if you'd like to give more regularly, you can request details of paying by standing order.

Membership Form and Gift Aid Declaration are printed on Page 2
